MEMORANDUM FOR THE RECORD

SUBJECT : Alleged Memorandum Concerning Howard Hunt

At a meeting with Mr. Blakey yesterday evening I mentioned recent press reports to the effect that HSCA sources have stated there is a memorandum between Angleton and Helms saying that Howard Hunt was in Dallas, Texas on 22 November 1963. I said that we are unaware of any such memorandum and if the Committee has it we would appreciate a copy.

Blakey denied that the Committee had such a memorandum or any knowledge of it, except as a result of press inquiries.
